Community Advisory!

In light of the recent media focus regarding the Coronavirus (COVID-19), Haven for Hope would like to share some important information with our dedicated supporters. We recognize there may be some questions and concerns regarding how Haven for Hope is addressing concerns regarding the Coronavirus (COVID-19).

Haven for Hope has been closely monitoring all information regarding the Coronavirus (COVID-19). Haven for Hope staff have met with several health professionals including Metro Health. With guidance from these health professionals, Haven for Hope has taken several steps to mitigate any risks presented by the Coronavirus (COVID-19). Haven for Hope follows rigorous cleaning procedures including multiple cleanings of Haven buildings throughout the day. Health professionals have also advised consistent hand washing, limiting physical contact such as handshakes and hugs, providing accessible hand sanitizer throughout the campus and avoiding accessing the campus if feeling ill.

We are continuously monitoring the situation and following the advice of the local, state and federal authorities, which can be found at the following links:

City of SA: <https://www.sanantonio.gov/Health/News/Alerts/CoronaVirus>

DHSH: <https://dshs.texas.gov/coronavirus/>

CDC: <https://www.cdc.gov/coronavirus/2019-ncov/summary.html>

Haven for Hope started with an intense  love for others. With radical compassion, we serve people with the respect and dignity that they deserve, because we are all human and we remember that all humans fall and have to get back up again. That is why we never give up .
